##### **About R&Q**

R&Q is a non-life global speciality insurance company operating two core, highly complementary, businesses: Program Management and Legacy Insurance. Both these businesses are leaders in markets with high barriers to entry and significant growth opportunities. Legacy Insurance generates profits and capital extractions from expert management of legacy non-life insurance portfolios. Program Management generates commission income from its licensed (and rated) carriers in the US, EU and the UK, writing niches and profitable program business, largely on behalf of highly rated reinsurers.
